ANNIE'S PROJECT
EMPOWERING WOMEN IN AGRICULTURE

Our mission: To empower women in agriculture to be successful through education, networks, and resources.

Why Annie's Project?

This six-week course that is a discussion-based workshop bringing women together to learn from experts in production, financial management, human resources, marketing and the legal field. Each session offers time for questions, sharing, reacting and connecting with presenters and fellow participants.

The classes are relaxed, fun and dynamic way to learn, grow and connect with other women in agriculture.

"I took the class to gain a better understanding about agribusiness and how financial decisions impact our farm." – Linda
