Pre-Paid Expenses

Thank you for your willingness to support the New Mexico Financial Benchmarking for Farm Management project. The information completed here will be submitted to your accountant, along with the participation authorization form attached. Like all the data about your farm, this will be submitted anonymously, using only a numeric code known to you and your accountant.

Pre-Paid Expenses for year 2023

Please list any expenses for items that were used in 2023 but paid for in 2022.
